FEE WAIVER POLICIES

A waiver of all or part of a service fee may be available at the discretion of the Program Director to families whose aggregate family income falls below 125% of the poverty line or for clients residing at a domestic violence shelter at the time of service. There is no waiver of the consultation fee unless the prospective client is residing at a domestic violence/homeless shelter or as determined by the Program Director.

HOW TO BE A CLIENT OF IAP

The Immigration Assistance Program accepts new clients only after an initial consultation. Initial consultations are held on Mondays at our office located at 1819 Gull Rd, Kalamazoo, near Ascension Borgess Hospital. The appointments are on a walk-in basis between the hours of 9am and 4pm. If it is determined by the IAP that there is a manner in which we can help the prospective client, we will provide that person with a list of documents required for the submission of their application/petition and an appointment for follow-up.

It is important that when you attend your initial consultation, that you bring all correspondence that you received from US Citizenship & Immigration Services or the National Visa Center and copies of all documents that have been submitted to either of those agencies.

The adult for whom the immigration benefit is being sought should attend the initial consultation with the Petitioner (i.e. if you want to file for your spouse, both you and your spouse need to attend the consultation).

If you require emergency services or you are living in a domestic violence shelter, the initial consultation may be held on a day other than Monday with prior arrangement with this office. No walk-ins will be attended on days other than Mondays.

STATEMENT AGAINST FRAUD

Remember that all the appointments will be in the office during regular business hours. Someone from our office will never go to your house or any other place outside the office. You will always get a receipt at the time of payment and the receipt from the government less than a month after sending the application to immigration.
