The Michigan March for Life is an excellent opportunity for advocates for life of all ages from across the state to join with one voice on behalf of the defenseless! A strong showing of support on the first anniversary of the devastating passage of pro-abortion Proposal 3 sends a powerful message to our elected officials, the citizens of our state, and the nation at large. Join us as we peacefully advocate for the protection of all human life from conception to natural death, and pray that a culture of life can be rebuilt in our state.

Note: The march route is approx. 1 mile. Plan to stand during pre-rally concert and rally.
