Many of you have had the opportunity to interact with Lisa in one of her many Diocesan roles over the years. Respect Life Month

Every October, the Catholic Church in the United States celebrates Respect Life Month. We consider more deeply the gift of human life and seek ways to help build a culture that cherishes and protects it. Each day across the diocese of Kalamazoo, CCDOK seeks to improve the life of someone in need ~ whether it be the pregnant mother at Caring Network, a teenager in crisis at the Ark Shelter, a family seeking supplemental food from Bread of Life, the individual seeking mental health support from a Bridges counselor, or legal immigration assistance ~ the efforts by dedicated staff, volunteers, donors and community partners are all answering the call to help, respect, serve the neighbor in need - answering Jesus' invitation to love one another.

During the month of October, we ask for continued prayers for the lives we serve. We also ask for your participation in pro-life activities throughout the diocese, supporting and strengthening the mission of CCDOK, "We are God's hands providing housing, health, and hope to His children."

CCDOK Provides Assistance to the Portage Tornado Disaster

Charities Diocese of Kalamazoo provided over \$26,000 in assistance to support disaster relief efforts to locals impacted by the May 2024 tornado that devastated much of the Portage area. The funds were a combination of support from Catholic Charities USA and individuals who generously donated locally. Working closely with the City of Portage, the relief funds were used to aid residents whose insurance did not cover all the damage. The donations were used to help purchase a used car, provide furniture, replace roofing, siding and drywall and partner with St. Vincent DePaul USA Disaster Services to purchase "House in a Box" kits that provide families devastated by disasters with new furniture and furnishings.

Catholic Charities also assisted families in the Pavilion Estates Mobile Home Park in Portage after the tornado destroyed 17 homes and damaged more than 100. The Bread of Life food program delivered food and provided referrals to other community assistance for utility support and tornado recovery resources. One family assisted recently reached out to thank our program for our support during a very challenging time where they needed extra help and to let us know they no longer needed the emergency food assistance.

We would like to thank everyone who has supported the recovery efforts in Portage through donations, prayers and volunteering their time.
